

Middle School Science Supply List

Contributions are voluntary and all students will have access to all necessary materials regardless of whether a donation is made. If students are in need of supplies, the teachers will have supplies available to use in the classroom.

We recommend the following supplies for all middle school science classes. Many families enjoy shopping for school supplies as part of the back to school tradition. If you choose to purchase the supplies listed and donate them to the classroom, they will be gratefully accepted.

- 1 1 $\frac{1}{2}$ inch 3 ring binder (no accordions please)
- 1 package of dividers (please do not buy ones with pockets)
- 1 pack of loose leaf lined paper (not from a spiral binder)
- 1 scientific calculator (must do exponents and square roots) **
- 2 black pens
- 2 blue pens
- 2 red pens
- 1 black fine point sharpie
- 1 glue stick
- 3 highlighters-yellow, orange and blue
- 1 eraser
- 10 pencils, mechanical or otherwise
- 1 small pencil sharpener (only if using a wooden pencil)
- 1 box of colored pencils

A small, lightweight, wearable backpack to hold everything easily that will be stored outside the classroom but could fit on the back of their chair on a rainy day.

** Primarily for 8th grade students

General Classroom Supply Donations: Tissues, Wipes, Paper towels
