Ongoing practices

- ✓ Parent communication in the fall on safe routes to school and recommended traffic patterns
- √ School valet program
- ✓ STAR Behavior Teaching to students
- ✓ Teacher supervision on playground and parking lot 15 minutes before and after school
- ✓ Regular newsletter and parent communication
- ✓ Collaboration with Irvine Police Department
- ✓ Collaboration with City of Irvine

Proactive Solutions

Installation of center dividers in driveway to prevent unsafe lane changes

Installation of permanent cones to allow for two lanes exiting parking lot

Proactive Solutions

Crossing guards provided for intersection of Turtle Ridge and Federation way

Added staff along curb during pick up and drop off to keep traffic lanes moving

Proactive Solutions

- Alter signal at Turtle Ridge and Bonita Canyon to allow two lanes to make right turn
 - Reduce back up from parking exit along Federation Way

- > Keeping the library open for 30 minutes each day before school and 60 minutes each day after school
 - >Staggered start time based on parent choice
 - Supervised area for students to complete homework

Continuing Concerns

- How do we continue to facilitate efficient traffic flow into and out of our parking areas?
- How do we keep our families safe in our parking lot?
- How do we keep pedestrians and bicyclists safe on route to school each day?

Questions and Suggestions

Summary of Parent Suggestions for Planning

Recommendations for School Based Improvement

- ✓ Include parent volunteers on parking duty
- ✓ Coordinate bell schedules with adjacent schools when possible (TVT, JCC, UHS)
- ✓ Investigate staggered start/end times
- ✓ Increase visibility for IUSD bus transportation options
- ✓ Add staff at crosswalk for Las Lomas parking lot
- ✓ Implement incentives for kids walking or biking

Summary of Parent Suggestions for Planning

Recommendations for Improving Safe Routes to School

- ✓ Alter lane marking to allow more cars to turn left onto Turtle Ridge from Bonita Canyon (high congestion area)
- ✓ Install cameras at signals to increase compliance
- ✓ Investigate use of bus lane to drop off kids
- ✓ Install pedestrian pathway from Turtle Ridge Las Lomas in baseball park area to avoid parking lot traffic
- ✓ Take action to eliminate vehicles in crosswalk at Federation and Turtle Ridge intersection (bike and pedestrian safety)
 - ✓ Add flashing lights to crosswalk
 - ✓ Increase police presence and enforcement

Summary of Parent Suggestions for Planning

Recommendations for Improving Safe Routes to School

- ✓ Dedicated right hand arrow at signal onto Federation (timed for school hours)
- ✓ Investigate building a pedestrian bridge across Turtle Ridge
- ✓ Install drop off lane at Summit Park or Turtle Ridge
- ✓ Add crosswalk across Summit Park with stop sign
- ✓ Add additional lanes turning into Vista Verde driveway
- ✓ Correct signal at Turtle Ridge Apartments and Mariners Church to not allow left hand turn when pedestrians are crossing
- ✓ Increase school zone (25 mph) on adjacent streets
