

First Grade

We are very excited to welcome your child to first grade. We kindly ask that you wait to do Back-to-School shopping until after Open House. Each teacher will have a supply list to help set your child up for a successful year.

If you wish to purchase a backpack for the first day we kindly ask that you **do not purchase** a rolling backpack, as space in the classroom and on backpack carts is limited.

Looking forward to meeting you all soon!

The First Grade Team
